

I started my soccer career with the Club and was a member of one of the first travel teams. Also, my father was one of the original Board members of the Club. Accordingly, supporting the Club has always been a priority. Following my four years playing at Rutgers-Newark University, I applied for and was selected as the head coach of the 1991 LHS Freshman Boys Soccer Team. Under the direction of Roger Rubinetti, the successful experience triggered a desire to continue a path in coaching. Unfortunately, my career path would eventually prevent that from happening.

Able to understand and participate in most sports, I always knew that I had something to offer once my kids began their sports careers. Volunteering my time was never a question and I have been doing so since 2014. I have coached boys and girls' soccer, little league baseball and softball, street hockey and recently due to the lack of volunteers, girls' basketball (which I have no business doing).

Congratulations to Anthony Lauro as Livingston Soccer Club's 2021 Volunteer Coach of the Year!
