

## THE LIVINGSTON SOCCER CLUB

Is Proud To Introduce Our Annual Spring 2012

### Livingston Soccer Training Academy for 1<sup>st</sup> and 2<sup>nd</sup> Grade

**Improve Soccer Skills**

**Have Fun**

**Training by Professionals**

The LSTA's third year will begin this coming Spring and based on greater than 100% annual growth over the last two years, we're anticipating another great season. The program has become a great source of early soccer skill development, without any of the pressures associated with scores, teams and team commitment. We know that as awareness of this program extends further into our community the number of participants will continue to increase. In anticipation, registration will open **Monday, October 17<sup>th</sup>**.

The LSTA is a separate LSC program but also represents a cooperative effort between the Livingston Soccer Club's Travel and In-Town programs and is geared towards all young athletes wishing to improve their skills and play Spring soccer, as well as strongly recommended for all girls and boys interested in playing Travel Soccer. We are hoping to start this Spring's LSTA training in the latter part of March, depending on weather and field openings.
