Soccer Games Run More Smoothly With Referees

Now is the time to sign up as a referee for our fall soccer program.

Our referees must:

Be at least in the sixth grade as of Fall 2010

Enjoy making some extra spending-money

Be willing to learn the rules of the game in great detail

Be willing to taser unruly coaches

Adults can referee as well!

If you or your child is interested in being a referee, or you have any questions, please send an email to referee@lsclub.com. Please include the referee's name and school grade as of the Fall 2010.

Please sign up in this manner even if you've also registered as part of the on-line registration process, and even if you've refereed previously.

Thanks
